## **JOB POSTING**

**Job Title: CAD Operator**

**KYB Americas Corporation, a subsidiary of one of the world's largest manufacturers of shocks, struts and hydraulic components, and a global leader in ride control technology for both OEM and Auto Care (Aftermarket) industries, is growing and we're seeking a CAD Operator to join our team!**

**If you are interested in a growing, fast-paced, collaborative company with lots of opportunity and a company who understands the importance of work / life balance, KYB Americas Corporation is the place for you!**

### **Purpose of Position/Summary:**

The CAD Operator is responsible for creating 2D and 3D drawings based upon customer and internal needs.

### **Essential Duties/Responsibilities:**

- Create and make changes to 2D & 3D customer drawings;
- Share responsibility for drawing and data submission to customers;
- Provide backup support for BOM entry into KAC MRP system;
- Create and make changes to 2D internal KAC drawings;
- Other duties assigned by immediate Supervisor or Manager on an as needed basis.

### **Job Requirements:**

Bachelor of Science Degree in related field from an accredited 4-year institution is required. 2+ years of related work experience may substitute for a college diploma. Ability to identify and resolve issues without direct supervision. Fluent in CATIA (Rev 5) and AutoCAD: 2D & 3D drafting. Familiar in GD&T. Proficient in common computer skills such as Microsoft Excel, Word, Power Point, and Outlook. Must be able to communicate effectively (both written and verbal) with all departments in the KYB organization.

### **ABOUT US:**

**KYB Corporation produces a variety of ride control, hydraulic, and electronic products for use as original equipment and replacement parts in automobiles, motorcycles, trucks, specialty vehicles, buses, aircraft, railroad cars, industrial applications, agricultural applications, and civil engineering projects. Our global headquarters are located in Tokyo, Japan, and we have facilities in Asia, the United States, Central and South Americas, and Europe.**

**KYB Americas Corporation, headquartered in Franklin, IN, is a producer of shocks and struts for several Japanese OEM's, such as Toyota, Honda, Nissan, Subaru and Mitsubishi, as well as, producing product for the Aftermarket business.**
